Performance of Grievance Redressal Committee

One 5 member's committee was formed for GRC in last week of September '23. But unfortunately we didn't receive any report (even nil report) from the committee after multiple reminder.

Notice Received from Forest Department.

One complaint was lodged to the Range Officer, Forest department citing the felling of betel nuts trees inside the Riya Gitanjali Complex. The Range officer, in response to the aforesaid complaint, served a notice to the President on 18-12-23 vide Memo No:- 1009 / BKP – 17 –T.

President on behalf of Board has replied to the Range Officer on 08-01-2024 vide Memo No : 06/RGAAO-24 by addressing all the question / query raised by the Range Officer. No further query / clarification / information received from the Range Officer.

Building Repair and Renovation Charges

One fund was created in AGM -23 for repairing of Building and Renovation payable for one year. So far 107 allottees / owners (50 %) have contribute either fully or partially. Since the fund was created for one year for repairing of Building on urgent basis but purpose is defeated because of non-payment by all the allottees / owners. Presently we don't have any extra fund to mitigate any emergency task in our society if situation demands. So, we strongly believe that we must have some fund to mitigate the future needs of society expenses other than regular expenses.

Festival : 23-24

It will be shared separately.
